

**FARM-WAY, INC/VERMONT GEAR IN BRADFORD, VERMONT IS ONCE AGAIN THE GENEROUS SPONSOR OF OUR LAKE HARVEY ASSOCIATION KAYAK RAFFLE. PLEASE THANK THEM BY VISITING THEIR WONDERFUL STORE, WHERE SHOPPING IS PERSONAL, SERVICE IS PROFESSIONAL, SELECTION IS ABUNDANT AND PRICES ARE ALWAYS COMPETITIVE!**

**FARM-WAY STORY** isn't just a store. It's a cultural experience. In these days of box stores and bustling malls you will find the rhythm of Vermont life here. Farm-Way is a down to earth sort of place run by 3 generations of family and a dedicated staff who make up the Farm-Way family. We pride ourselves on offering top quality brands of footwear, clothing, hunting gear, snowshoes, kayaks, canoes, furniture, great gifts and more. Brands like Smartwool, Darn Tough, Patagonia, Carhartt, Arcteryx, and North Face that perform with changing weather and temperatures or tough jobs. Our products are as diverse as our lifestyles and needs. Farm-Way is where our customers often bring their visiting friends to browse and shop. Every Saturday during

the summer months we serve coffee and homemade doughnuts under the tent out on the lawn. Not a morning person? In the afternoon we switch over to chocolate chip cookies and lemonade. During the colder months we offer free cheese tasting inside. Join us!

There are seven miles of scenic hiking trails that are conserved on Bradford's Wrights Mountain. Enjoy spectacular views from its 1822' summit (1.6 miles to the top) or explore nearly Devil's Den cave (1.6 miles from Chase Hollow Road). We are bordered by the beautiful Connecticut River -- a spectacular kayak or canoe trip.

We create 100% of our electricity from our solar system. When we installed our system it the largest solar field in the State of Vermont. We hope other businesses will follow. We love this country and know we are all going to have to step up in some way to save it for generations to come.

*Good Afternoon,*

*Please come visit Farm-Way; we're not just a store, we are a cultural shopping experience! We are diversified offering footwear, clothing, furniture, fencing, gifts, boats, gardening and pet and livestock supplies. My best shopping experience ever was from Joe Roy, from Harvey's Lake. Joe pulls in with his big truck and says, "Paul, I need a price on 400 electric fence posts." I gave him a great price, Joe says, "They are cheaper in Woodsville." I said, "Okay". Joe hangs around for a while, comes to me and says, "I'm going to take the 400 posts." I said, "Joe, how come you're going to take them if they are cheaper in Woodsville?" He said, "They don't have any!" God bless you, Joe and all you folks at Harvey's Lake.*
